4.3 课程（模块）授权 Authorization to Deliver Programs (Modules)

4.3.1 整合式 AST 执照（2025 年 8 月 5 日或之后购买者适用） All-Inclusive License (purchased August 5, 2025 or thereafter)

以整合式 AST 执照授权资格添加课程授权

若 AST 希望获得初始申请中未包含的证书课程（模块）的授权，则必须先完成该课程所要求的必修课程、测验及培训等，相关条件请参阅下表。在完成相关课程要求后，AST 可前往 **My AST Portal > My AST Licenses**，点击「Add Program (Module) to License」，申请添加课程授权。此添加授权不需支付额外费用。

Adding Course Authorizations to an All-Inclusive License

If an AST wishes to obtain authorization to teach certificate program (module) courses beyond those included in their initial application, the AST must complete the required courses, tests, and training components. See table below for requirements. After meeting the course requirements, the AST can initiate the process to request additional authorizations by visiting **My AST Portal > My AST Licenses** and clicking "Add Program (Module) to License" button. No fees are required.

授权生效日

教授添加课程（模块）的授权，自 SCA 发出书面确认之日（授权日期）起生效，并在适用的授权期限内持续有效，但应遵守授权协议及本手册的相关规定。

Effective Authorization Date

The authorization to teach additional programs (modules) becomes effective on the date SCA issues written confirmation ("Authorization Date") and remains in force for the duration of the applicable license, subject to compliance with the License Agreement and this Handbook.

4.3.2 标准 AST 执照（2025 年 8 月 5 日之前购买者适用） Standard License (purchased pre-August 5, 2025)

以标准 AST 执照授权资格添加课程模块授权

若 AST 持有 AST 标准执照，并已符合教授额外课程（模块）的所有资格要求，可通过以下两种方式任一取得授权：

Adding a Module (Authorization to Teach Courses) under the Standard License

If an AST is operating under an AST Standard License and the AST has met all requirements to teach an additional program (module), the AST can acquire such authorization by doing either of the following:

- 1) 将标准 AST 执照升级为整合式 AST 执照，即可获得教授已符合资格课程的授权。
（操作方式：My AST Portal > My AST Licenses > 点击「Upgrade AST License」）

Transition their AST Standard License to an All-Inclusive License thereby receiving access to teach all modules they're qualified to teach (My AST Portal > My AST Licenses > click the "Upgrade AST License" button); or

- 2) 购买单一课程授权，此选项仅提供至 2025 年 11 月 30 日止。（操作方式：My AST Portal > My AST Licenses > 「Add Program (Module) to License」）在该日期之后，如 AST 欲教授不在其现有标准 AST 执照授权内的课程，唯一方式就是升级至新的整合式 AST 执照。

Purchase a module license. THIS OPTION IS ONLY AVAILABLE THROUGH NOVEMBER 30, 2025. (My AST Portal > My AST Licenses > Add Program (Module) to License" button). Thereafter, the only way to teach courses within a program (module) not included in an AST's current AST Standard License is to upgrade to a new All-Inclusive License.

下面的表格说明了成为授权教授特定 SCA 教育课程的讲师所需的课程、培训与考试要求，其他职业经历与经验要求，请至 **AST Portal** 参阅提交新增授权模块申请的个别条件说明。SCA 保留随时更新或修改授课资格要求的权利。

若在执照到期之后欲进行续约，请点击黄色的「Renew（续约）」按钮，以启动整合式 AST 执照续约程序。「Renew」按钮仅在到期后 120 天内可使用，若执照到期超过 120 天尚未续约，请透过电子邮件 education@sca.coffee 与我们联系。

If this is a renewal after the license expiration date, click on the yellow "Renew" button and this will initiate a renewal to an All-Inclusive License. The Renew button is only available for 120 days after expiration. After 120 days, contact us at education@sca.coffee to renew.

若 AST 希望续约某一模块授权，而该模块的到期日早于标准 AST 执照，AST 可选择以下两种方式择一进行：

An AST desiring to renew an Individual License more than six months after expiration may be required by SCA to complete further requirements or professional development to renew.

若 AST 个人授权未于授权期限最后一天续约，AST Portal 中多项功能之存取权限将被取消。

Claimed CPD Activities – These are approved CPD activities that have either been recorded and approved by staff or Subscribed CPD Activities that the AST has claimed by completing the required validation.

CPD 活动记录 – 列有 AST 过去已登录的 CPD 活动，即使授权到期此纪录也会保留。

CPD Activity History – This is a section of the ASTs profile that lists past Claimed CPD Activities. This history will appear even after a user's license has expired.

7.0 课程学费和 SCA 费用 Course Tuition and SCA Fees

7.1 由 AST 制定课程学费 Tuition Set By AST

课程学费由 AST 自行决定，并非由 SCA 订定。课程定价必须反映课程的质量、复杂性和成本。

Course tuition is set at the discretion of the AST, not SCA. It is important that the pricing reflects the quality, complexity, and costs of the course.

举例来说，专业课程的学费理应会高于基础课程的学费，由于课程天数较长，讲师需要具备更广泛的专业知识，并且可能需要投入更多的时间、设备和用品。

For example, it would be reasonable to expect that the price for a Professional course would be higher than the price of a Foundation course, as it is likely to last several days, demand greater knowledge from the trainer, and potentially require a greater investment of time, equipment, and supplies.

7.2 课程注册费 Course Enrollment Fee

无论课程级别，每位注册并参加课程的学员都需要支付固定金额的课程注册费。必须先支付课程注册费（和 AST 服务费），才能启动在线笔试、标记实操考试结果并取得证书。

There is a flat-rate Course Enrollment Fee for each learner who enrolls in and attends a course, regardless of the course level. The Course Enrollment Fee (and the AST Service Fee) must be paid before online written exams can be activated, practical exams results entered and a certificate released.

课程注册费可以由学员或 AST 支付给 SCA。AST 可以在建立课程（Course Offering）或课程注册（Course Enrollment）处设定，以决定由哪一方支付课程注册费。

The Course Enrollment Fee can be paid directly to the SCA by the learner or by the AST. ASTs manage a setting in the Course Offering or Course Enrollment to determine which party is invoiced for this Course Enrollment Fee.

课程注册费依注册成功的报名人数收取，与学员是否通过测验或是否需要证书无关。

The Course Enrollment Fee is collected based on enrollment and is not based on the learner passing the exams or their desire for a certificate.

当课程注册费由 AST 支付时，该费用将与 AST 服务费出现在同一张发票中，详情请参阅第 7.3 节。

When the Course Enrollment Fee is to be paid by the AST, it will appear in the same invoice as the AST Service Fee, which is covered in Section 7.3

7.3 AST 服务费 AST Service Fee

无论课程级别，每位注册课程的学员都需要支付固定金额的 AST 服务费。必须先支付 AST 服务费（和课程注册费），才能启动在线笔试、标记实操考试结果并核发证书。

There is a flat-rate AST Service Fee for each learner enrolled in a course regardless of the course level. The AST Service Fee (and the Course Enrollment Fee) must be paid before online written exams can be activated, practical exams results entered and a certificate released.

AST 服务费必须由 AST 直接支付给 SCA，此费用不可转嫁开立给学员。

The AST Service Fee must be paid directly to SCA by the AST. This fee cannot be invoiced to the learner.

AST 服务费依注册成功的报名人数收取，与学员是否通过测验或是否申请证书无关。

The AST Service Fee is collected based on enrollment and is not based on the learner passing the exams or their desire for a certificate.

7.4 付费币别 Base Currencies for Advertised Fees

课程注册费和 AST 服务费将以两种基本货币设定并载明：欧元和美元。

The Course Enrollment Fees and AST Service Fees will be set and listed in two base currencies: Euros and US Dollars.

居住在欧洲和欧亚大陆（以美国国务院的国家和地区列表为准）的 AST，将根据载明的欧元金额开立发票，而居住在欧洲和欧亚大陆以外的 AST 和学员，将根据载明的美元金额开立发票。

ASTs living within Europe and Eurasia as detailed in this list by the US Department of State Countries and Areas, will be invoiced using the listed amount in Euros. Those ASTs and Learners living outside of Europe and Eurasia will be invoiced according to the listed amount in USD.

尽管 SCA 费用仅以欧元和美元开立发票，但支付系统会依据账单国家，自动提供多种支付方式和货币选项，提供了更多的支付选择，并且更容易转换为当地货币。

Even though the SCA Fees are only invoiced in Euros and USD, the payment system presents the user with multiple forms of payment and currency options. These options are automatically generated based on the country of billing. This will provide a greater number of payment options and easier conversion to local currency.

7.5 SCA 课程目前收费金额 Current SCA Course Fee Amounts

自 2025 年 7 月 1 日起，每位报名参加 SCA 教育课程的学员，须支付给 SCA 的课程费用如下：

7.6 未缴纳课程费用的处理方式 Consequence of Unpaid Course Fees

若发票超过到期日 15 天仍未缴清：

If an invoice remains unpaid for more than 15 days after the due date stated on the invoice

- SCA 将直接联系 AST 或学员，通知缴款期限（通常为寄出催款邮件后 10 个工作日）。
SCA will contact the AST or Learner directly regarding a payment deadline. The deadline for payment is usually 10 business days after sending of the collection email.
- 在缴款期限前会寄发提醒通知。
A reminder will be sent prior to the deadline.
- 若仍未于期限内缴清，AST 的授权将被停用（暂停）。
If the payment is not made by the deadline; the AST's license will be deactivated (suspended).
 - 在暂停期间，AST 无法发布任何课程。
The AST will not be able to post courses during this time.
 - 授权暂停期间，授权期限仍会持续计算。
The term of the suspended license will continue to run while suspended.
 - SCA 保留在停权期间取消任何课程的权利。
SCA reserves the right to cancel any courses during the term of deactivation.

若持续未缴费，将导致授权终止。

Continued failure to pay fees will result in the termination of a license.

关于授权暂停或终止的原因及改善办法，请参阅第 4.5 节「暂停或提前终止授权」。

See Section 4.5 Suspension or Early Termination of License for details on cause and cure of suspension or termination of a license.

7.7 发票取消和退款 Invoice Cancellations and Refunds

课程注册费和 AST 服务费通常不予退费。惟特殊情况下可考虑退款要求，此政策可能会更动。若欲提交整张或部分教育课程费用发票取消或退款申请，请填写此[表格](#)。

The Course Enrollment Fee and AST Fee Service are typically nonrefundable. Requests for refunds may be considered under certain conditions. This policy is subject to change. - 即使学员选择不参加测验或不取得证书，仍将不予退款。
Refunds will not be issued simply because a student opts not to take the exam or receive a certificate.

- 退款或取消申请的处理时间为 5 至 7 个工作日。
Requests for refunds or cancellations take between 5-7 business days to be processed.

7.8 美国法规 US Regulations

SCA 非常关心每个国家/地区的咖啡社群，作为一个国际性的会员组织，SCA 有义务确保组织在全球会员的支持下遵守所有适用的规则和法规。

SCA cares deeply about the coffee community in every country. As an international membership association, it also has an obligation to the global membership to ensure that the organization remains in compliance with all applicable rules and regulations.

由于 SCA 是在美国注册成立，因此必须遵守美国联邦法规的规定和美国财政部指令，其中明文禁止 SCA 向居住在特定境内的个人或企业提供服务，包括教育课程。目前这些国家和地区包括：

Because SCA is incorporated in the United States, it must comply with provisions of the U.S. Code of Federal Regulations and directives of the U.S. Department of the Treasury, which prohibits SCA from providing services, including education courses, to people or businesses normally resident within specific countries and regions that are currently under sanctions from the United States. These presently include:

古巴 | 克里米亚 | 伊朗 | 朝鲜 | 叙利亚
Cuba | Crimea | Iran | North Korea | Syria

AST 不得为居住在上述国家或地区的人提供培训课程，这也意味着 AST 不能在这些地方提供 SCA 证书计划课程。

ASTs cannot provide a training course to someone who lives in one of the countries or regions listed above. It also means that an AST cannot deliver SCA certificate program courses in one of these places.

然而，如果学员是来自上述国家或地区的国民，但通常居住在未受美国制裁的国家或地区，那么他们可以在任何未受美国制裁的地方参加 SCA 课程并获得 SCA 证书。

However, if the learner is a national from one of these places but normally resides in a country or region not under US sanctions, then they can take an SCA course and receive an SCA certificate in any place not under US sanctions.

SCA 领导阶层会持续为此寻求法律意见，以确保 SCA 尽所能继续支持这些受制裁地区的咖啡社群。SCA leadership continues to seek legal advice on this matter to ensure that it is doing everything it can to continue supporting the coffee communities in these sanctioned places.

有关此议题的最新信息，请参阅 SCA 网站 sca.coffee/us-sanctions-regulations
The most current information regarding this topic can be found at sca.coffee/us-sanctions-regulations

8.0 SCA 帐户与 AST 界面 SCA Profile and My AST Portal

SCA 帐户是一个独立的、受密码保护的帐户，可保存帐户的联系信息和历史记录。学员也可以在这登入在线测验、取得课程证书和其他信息。

The SCA Profile is a unique, password-protected account that holds contact information and account history. This is also where a learner has access to online exams, course certificates and other information.

所有拥有 SCA 个人账户的使用者都可以点击「我的教育 My Education」，在这里寻找课程、申请注册课程、参加测验、下载证书等。

All users with an SCA Profile will have access to an area titled "My Education." This is where users can find courses, request enrollments, access exams, download certificates and more.

8.1 个人帐户 – 联系方式和账单信息 My Profile – Contact & Billing Information

AST 需要确保他们的 SCA 个人帐户包含最新联系信息，并使用不会过滤或封锁 SCA 电子邮件的 email 帐户。在个人档案中输入的联系信息将会出现在所有 SCA 网站的公开清单中。

ASTs need to make sure their SCA profile has the most current contact information with an email account that does not filter or block SCA emails. The contact information entered in the online profile is what will appear in any listing on any SCA web site.

在 SCA 帐户的「我的帐户 My Profile」>「账单 Billing」，输入正确的账单地址信息非常重要，这将确保用户收到正确币别的发票，并提供可用的付款选项。

In the My Profile>Billing section of the SCA Profile, it is important to have accurate information regarding the billing address. This will ensure that the user receives an invoice in the correct currency with the available payment options.

8.2 我的 AST 界面 My AST Portal

当用户拥有有效期内的 AST 授权时，会看到一个名为「我的 AST 界面 My AST Portal」，并有附加的下拉式选单。我的 AST 界面是 AST 可以建立和管理课程、下载教材和记录 CPD 活动的地方。

When a user also has an active AST license, the user will see an additional dropdown menu titled "My AST Portal. The AST Portal is where the AST can create and administer courses, download materials and record CPD activities.

9.0 课程教材 Course Materials

SCA 在每个证书计划中提供两大关键要素：

SCA produces two key components in each certificate program:

讲师指南 Trainer Guidebooks

每门课程都有相应的讲师指南，本文件包含 AST 设计课程计划时所需的大量信息，以协助学员为课程测验做好准备。该指南包括有关授课标准、学习目标、专业术语、测验、参考数据、活动指南等的信息。

Each course has a corresponding trainer guidebook. This document contains the bulk of information necessary for the AST to design lesson plans that prepare the learner for the course exams. The guidebook includes information on delivery standards, learning objectives, terminology, exams, references, activity guides and more.

其他支持文件通常包括设备和耗材清单、资源材料和教学工具。

Additional supporting documents often include equipment and supply lists, resource materials and teaching tools.

AST 可以使用这些文件和资源建构自己的课程计划和培训教材。**SCA** 没有提供简报大纲、视觉教具、教科书或其他类似的培训教材。

ASTs use these documents and resources to build their own lesson plans and training materials. SCA does not provide presentation outlines, visual aids, textbooks or other similar training materials.

测验 Exams

每个证书课程都有笔试和实操考试，仅少数课程例外。某些课程只有笔试测验。

With few exceptions, each certificate course has both a written and a practical exam. For some courses, there is just a written exam.

9.1 课程教材的授权使用 Authorized Use of Materials

如同 **AST** 授权协议所述，课程教材仅供获得授权的人员使用，且授权是针对特定的个别课程（模块），只有 **SCA** 工作人员才能授予存取这些资料的授权。**AST** 不得与未持有该模块许可的个人或组织共享这些数据，这包括持有不同模块授权或该模块许可已过期的其他 **AST**。

As outlined in the AST License Agreement, course materials are only available to those who are authorized to access and use them. Authorization is program (module) specific. Only SCA staff can grant authorization for access to these materials. ASTs are not to share these materials with any individual or organization that does not hold the appropriate authorization. This includes fellow ASTs who are licensed in different programs (modules) or have an expired license in that program (module).

9.2 下载课程教材 Downloading Materials

取得授权模块所需的课程教材，下载方式为：**My AST Portal > My AST Downloads**。

The necessary course materials for authorized modules are available for download through the SCA profile at AST Portal>My AST Downloads.

每个模块的所有课程数据（包含所有语言），均包含在同一个压缩文件中，点击后该文件夹将自动下载到您的装置中。每个文件的详细变更记录会储存在该文件夹中的.txt 档案中。

All course materials for a program (module), in all available languages, are contained in one compressed folder that will automatically download to your device. A detailed record of changes is kept on a .txt file located in the folder.

9.3 翻译 Translations

SCA 的官方使用语言是北美英语，并采用《芝加哥格式手册》。

The official operating language of SCA is North American English and the organization subscribes to the Chicago Manual of Style.

大多时候，全新或修订的课程教材会先以英文公布，再分阶段以其他语言公布。教材翻译的顺序和可取得性取决于需求、预算和人力以及志工的支持。**SCA** 分会的志工经常参与翻译或后续校对作业。

Many times, new or revised course materials will first be released in English. These documents are then often released in additional languages through phases. The order and availability of translated material is dependent on demand, budgetary and staff

resources, as well as volunteer support. Volunteers from SCA chapters are often involved in creating or validating translations.

若要提交翻译更正，请填写此 [表格](#) 提交申请。请注意：此申请将要求您列出至少一位与您使用相同语言的 AST 共同确认建议内容。

To submit a correction to a translation, please submit the request through this [form](#). Please note that this form will require you to list at least one other AST who speaks the same language to confirm the suggested revision.

9.3.1 以未支持的语言翻译课程教材 Translating Course Materials for Unsupported Languages

若 AST 欲以目前 SCA 尚未支持的语言授课，须自行负担翻译所有课程数据的费用，AST 亦须确保翻译内容的准确性与质量。

ASTs who wish to deliver courses in a language not currently supported by the SCA are responsible for translating all course materials at their own cost. The AST must also ensure the accuracy and quality of the translation.

请注意：参与 SCA 课程资料翻译工作的个人，在完成翻译后一（1）年内不得参加该课程。AST 有责任在聘用翻译人员前，明确告知此限制。

Please note individuals involved in translating SCA course materials are not eligible to take the same course for a period of one (1) year. It is the AST's responsibility to inform translators of this restriction prior to engagement.

所有翻译资料均视为 SCA 的知识产权。自 2026 年 1 月 1 日起，所有翻译教材（特别是测验题目与学员教材）必须于使用前提交 SCA 审核。相关数据的提交方式，请联系 education@sca.coffee

All translated materials are considered the intellectual property of SCA. Starting January 1, 2026, all translated materials (specifically exams and student materials) must be submitted to SCA prior to use. Please contact education@sca.coffee regarding how to submit the materials.

若 AST 有意将翻译成果提供给其他讲师使用，请主动联系 SCA。SCA 鼓励合作，并保留依未来课程发展调整翻译流程的权利。

ASTs interested in making their translations available to other trainers are encouraged to contact SCA. Collaboration is welcome, and SCA reserves the right to revise this translation process in line with future program developments.

9.4 课程修订和更新 Course Revisions and Updates

课程教材将持续更新，AST 有责任在设计教案和授课时使用最新版本的课程教材。当课程教材进行更新或修改时，SCA 会透过多种方式通知 AST。

Course materials are frequently updated. It is the responsibility of the AST to use the most current course materials when designing and delivering courses. SCA uses a variety of ways to notify ASTs when updates or changes are made to course materials.

每个课程（模块）的下载资料夹包含一个.txt 档案，用以记录变更日志。课程教材下载资料夹的档案名称也会标注日期，并随每次更新而变更。

The downloadable folder for each curricula program (module) contains a .txt file that

serves as a changelog. The filename for course materials download folders also contain a date. This date is changed with each update.

9.4.1 准备期和评估 Preparation Periods and Assessments

当课程推出新版本时，AST 通常需要在教授新版课程之前完成准备活动。SCA 将于「发布日期」之前向 AST 提供这些教材的预览版本，而新版本将在「启动日期」正式生效。发布日期和启动日期之间的期间被视为「准备期」。在此期间，AST 通常需要通过一项准备评估，始可教授新版课程。SCA 将提供所有必要教材和资源，以协助 AST 通过准备评估，并为讲授新版课程做好准备。

When there is a new version of a course curriculum, ASTs are often expected to complete preparation activities before delivering the new version of the course. The preview versions of the materials will be made available on a "release date." The new versions will go into effect on a "launch date." The time between the release date and launch date is considered the "preparation period." Often, ASTs will be required to pass a preparation assessment before delivering the new version of the course. ASTs will be provided with all the materials and resources to pass the preparation assessment and be prepared to deliver the new version of the course.

9.5 计划 LOGO Program Logos

有四个 LOGO 可供 AST 使用，每个 LOGO 都附带使用指南，请务必遵守这些指南。其中 SCA LOGO 仅供 SCA 使用，在任何情况下 AST 均不得使用。

There are four logos available for use by ASTs, and each logo comes with usage guidelines. These guidelines must be followed. The SCA Logo is only used by SCA and may not be used under any circumstances by ASTs.

这四个 LOGO 分别为：The four logos are:

- **SCA 会员 LOGO SCA Member Logo**
 - AST 可使用 SCA 会员 LOGO 作为宣传材料。
ASTs are to use the SCA Member Logo for promotional materials.
 - SCA 会员 LOGO 可在 SCA 个人账户取得：Membership > My Membership > My Logos。
The SCA Member Logo is available in the Membership>My Memberships>My Logos section of the SCA Profile.
- **AST Logo**
 - AST LOGO 在每次授权起始时以 email 发送给 AST，该 LOGO 会标示与授权期相符的年份。
The AST Logo is sent to the trainer at the beginning of each license term. The logo features a date range that matches the years of the license term.
- **课程计划 LOGO 和模块图标 Program Logos and Module Icons**
 - 课程计划 LOGO、模块图标和使用指南的下载方式为：My AST Portal > My Downloads。
Program Logos, Module Icons and Usage Guidelines are available in the My AST Portal>My Downloads section of the AST Portal.

9.6 证书 Certificates

证书仅由 SCA 製作并发放。AST 不得以任何方式重製证书，包括在课程结束时仅用于向学员展示。AST 必须遵守所有 Logo 使用规范。未经授权製作或发放证书或文凭，将依本协议规定导致授权遭暂

停或终止。

Certificates are only to be produced and delivered by SCA. The AST is not to attempt to reproduce the certificate in any way, including for presentation to a learner at the end of a course. All logo usage guidelines must be followed. Unauthorized production and dissemination of certificates or diplomas will result in either suspension or termination of the License as described herein.

10.0 课程授课标准 Course Delivery Standards

为确保在世界各地提供优质的 SCA 教育，我们为所有课程制定了一套标准。

To ensure the delivery of quality SCA education around the world, certain standards have been created for all courses.

CSP 课程快速参考表（请参阅附录 A）提供了与最低教学时数和课程考核相关信息的简化图表。

The SCA Reference Table (See Appendix A) offers a simplified view of information related to minimum instructional hours and assessments.

10.1 课程容纳人数 Course Capacity

班级规模应限制在能确保学员与讲师之间有良好的互动的范围内。AST 有责任审查课程教材，以确保符合教材中规定的每位学员与设备/用品的最低配比要求。

Class size should be limited to a capacity that allows for valuable learner and trainer interaction. It is the AST's responsibility to review the course materials to ensure they follow the minimum ratios of equipment/supplies per learner.

10.2 授课时数 Instructional Hours

每堂课公告的授课时数必须达到或超过课程指南中规定的最低授课时数，最低授课时数包含以下：

Each course must be advertised for a number of hours that meet or exceed the minimum number of instructional hours as set forth in the course guidebook. Minimum course hours are met through time spent in the following ways:

- AST 面对面现场授课或通过远程教学。
The AST delivering live instruction in-person or through distance learning.
- AST 亲自执行非正式与正式评估。（请注意：这不包含学员参加笔试所花费的时间。）
The AST conducting informal and formal assessments. (Note: This does not include time spent by the learner taking the online written exam.)
- 学员参与用于引入及 / 或加强课程理论或实践目标的学习活动。
The learner engaging in activities that introduce and/or reinforce the theoretical or practical course objectives.

课程时数不得少于规定的最低时数，但可以超过最低时数。

Courses may NOT be posted for less than the minimum stated hours. Courses may exceed the minimum hours.

10.3 课程先修要求和等待期 Course Prerequisites and Wait Periods

SCA 证书计划都有不同的先修课程要求。有关先修课程的更多信息，请参阅各课程的课程指南。

Each SCA certificate program has a different prerequisite course requirement. Please see course guidebook for more information about prerequisite courses.

AST 可以在 SCA 要求的基础上，额外设定先修要求，作为招生政策的一部分。

ASTs may set additional prerequisites above and beyond those required by SCA as part of their admittance policy.

任何 SCA 证书课程之间，没有强制性的等待间隔期。

There is no required wait period between any SCA certificate program course.

10.4 非 AST 人员的适当支持 Proper Use of Non-AST

AST 在授课时可接受他人提供适当支援。非 AST 人员可协助准备教材与用品、处理课程期间的后勤事务，甚至在小组活动中协助指导学员。在特定情况下，也可以接受并建议邀请特邀讲者就专题进行分享。

It is acceptable for ASTs to use support from other individuals when delivering a course. Non-ASTs can be helpful when preparing supplies or materials for a course, assisting with the logistics during a course, or even coaching during station work. It is also acceptable, and recommended, in some cases to take advantage of guest speakers on a particular topic.

无论由谁协助课程进行，学员仍必须清楚辨识该课堂的 AST 为主要讲师。例如：如果 SCA 询问学员该课堂的讲师姓名，学员所提供的姓名必须与证书上记载的讲师姓名相符。

Regardless of who is assisting with the course, learners need to recognize the AST as the identifiable trainer for the course. As an example, if SCA were to ask a learner from a specific course for the name of their trainer, the name given needs to match the name on the certificate.

为维护测验的完整性和落实 AST 行为准则，负责课程设计、监督课程、掌管测验与考核、确定最终分数以及向学员报告结果的人，必须是该课程（模块）授权的 AST 本人。

For the integrity of the exams and compliance with the AST Code of Conduct, the person designing/overseeing the course, administering exams, assigning final point totals and reporting results to the learner must be an AST authorized in the program (module).

10.5 远距教学的目标与准则 Distance Learning Expectations and Guidelines

SCA 证书计划力求实现多种可执行性，同时并确保证书的价值和完整性。作为一项以技能为基础的培训计划，大多数课程都需要进行面对面、动手实作的活动和测验。

SCA certificate programs attempt to achieve accessibility while maintaining the value and integrity of the certificate. As a skills-based training program there is a necessity for in-person, hands-on activities, and exams in most courses.

AST 应查阅每课堂的课程指南，以了解与远距教学相关的具体方向。

The AST should consult each course guidebook for specific directions related to the use of distance learning.

下列课程可以完全通过远距教学进行授课：

The following courses may be taught entirely through distance learning:

- CSP 咖啡导论 CSP Introduction to Coffee
- 所有 CSP 基础课程 All CSP Foundation courses

- 仍必须执行实作目标，并完成 CSP 课程技能报告。

Practical objectives must still be addressed and CSP Course Skills Report completed.

- 所有 CSusP 课程 All CSusP Courses
- CVA 杯测师课程 CVA for Cupper Course

SCA 证书课程不允许以通过「学员自行观看预先录制的影片或研讨会，之后参加测验」的方式取代完整课程。课程执行方式应是由 AST 安排和引导的交互式学习体验。

SCA certificate courses are not to be delivered through a program where learners independently view pre-recorded videos or workshops and then contact the AST to take the exam(s). The course is to be an interactive experience scheduled and led by the AST.

下列课程不得完全通过远距教学，应结合面对面的方式进行授课：

The following courses may be taught through a combination of distance-learning and in-person sessions, but not wholly through distance-learning:

- CSP 中级与专业课程 CSP Intermediate and Professional courses
- 所有 CTechP 课程 All CTechP courses

无论任何情况下，采用远距教学的课程须符合：

In any situation where distance learning is being employed, the courses must:

- 由 AST 通过在线平台进行实时在线授课。
be delivered by an AST through live instruction via an online platform.
- 符合课程指南中规定的最低授课时数。
meet the minimum course hours stated in the course guidebook.
- 必须以分段形式授课，每段不得超过 3 小时。
be delivered in sessions/blocks. Each session should be no longer than 3 hours.
- 适当的班级学员人数，以期达到最佳的学员讲师互动成效。
have a class size that allows for valuable interaction between the learner and AST.

Q Grader 课程必须全程以面对面授课方式进行，不允许远距教学。

The Q Grader course is to be delivered entirely in-person. Distance learning is not permitted.

10.6 遵守法规 Compliance with Laws

被授权人有责任在讲授所有 SCA 证书课程时，遵守所有适用的法律、规章及规定，无论是地方、州、联邦或其他层级的法规。

It is the responsibility of the Licensee to comply with all applicable laws, rules and regulations, whether local, state, federal or otherwise, in the delivery of all SCA certificate program courses.

11.0 测验 Exams

11.1 SCA 证书课程应包含测验 Exams Are a Required Part of SCA Certificate Courses

所有基于 SCA 评估的证书课程皆应包括测验和获得证书的可能性。根据具体的课程计画和内容，测验包括笔试和实作测验。请参阅课程指南中关于各课程测验评估的说明。

All SCA assessment-based certificate courses include exam(s) and the potential to earn a

certificate. Depending on the specific program and course, this might include both a written and practical exam. Please consult the course guidebook for a description of the required assessments.

如果课程以『SCA 课程』名义进行宣传，则测验和证书不得作为课程的附加选项。AST 可以提供不包含测验或证书的其他教育产品，但凡是以 SCA 名义招生的课程，则必须包含测验和取得证书的可能性。

The exam(s) and certificate are not to be offered as an add-on option to the course, if the course is being promoted as an SCA course. ASTs can offer other educational products that do not include an exam or certificate, but courses advertised as SCA courses must include the exams and potential for a certificate.

11.2 实操考试 Practical Exams

并非所有课程都包含实操考试，有关实操考试的具体细节，请查阅相应的课程指南。

Not all courses include a practical exam. Please consult the appropriate guidebooks for specific details regarding practical exams.

实操考试必须由该模块授权的现任 AST 进行考核，且 AST 不得在实操考试期间向学员提供意见反馈，仅在测验结束且评分完成后，始可向学员就其方才的表现提供反馈。学员应享有两次实操考试的机会。若两次尝试后仍未达及格分数，则学员需重新修习该课程。

Practical exams must be given by a current AST who is authorized in the program (module). The authorized trainer is not to give feedback to the learner during the practical exam. Feedback regarding learner performance should only be given once the exam has concluded and the scoring is complete. Learners should receive two attempts at the practical exam components. If a passing score has not been earned after the two attempts, then the learner should take the course again.

11.3 CSP 课程技能报告 CSP Course Skills Report

在 CSP 基础课程中没有实作测验。AST 需为每位学员完成一份 CSP 课程技能报告。该报告可协助 AST 传达其观察到的学员在特定实作目标上的能力水准，并反映学员对中级课程的准备情况。AST 应向学员提供一份完成的报告副本，并与学员讨论内容。

There are no practical exams in the Foundation courses of the Coffee Skills Program. In CSP Foundation courses, ASTs complete a CSP Course Skills Report for each learner. This report is a tool that helps the AST communicate the level of competency they have observed for each learner in relation to specific practical objectives. It also communicates the learner's preparedness for the Intermediate course. The AST will present the learner with a copy of the completed report and discuss the contents of the report.

CSP 课程技能报告不是通过 / 未通过的考核评估。学员只需通过笔试测验即可获得 CSP 基础课程证书。每堂基础课程的课程教材档案夹中均附有一份 CSP 技能报告的空白副本。

The CSP Course Skills Report is not a pass/fail assessment. Only a passing score on the written exam is necessary to obtain a CSP Foundation course certificate. A blank copy of the CSP Skills Report is included with the course materials for each Foundation course.

中级和专业课程均包括实操考试，故不包括 CSP 课程技能报告。

Intermediate and Professional courses include a practical exam and do not include a CSP Course Skills Report.

CSP 基础课程以及咖啡导论课程，即使该课程并未包含实操考试，实操考试的栏位仍必须标记为「通过」，学员才能取得证书。

For CSP Foundation courses and Introduction to Coffee, the Practical Exam field must be marked as "Pass" in order for the learner to receive a certificate. This is true even if there is no practical exam included in the course.

11.4 纸本测验需求及替代方案指引 Requests for Paper-Based Exams and Accommodation Guidance

当课程笔试已于线上测验平台开放后，学员必须登入该平台方可参加笔试。在某些情况下，AST 可能需要调整此要求，最常见的方式即为改用「纸本测验」。

If a written exam for a course is published to the online testing platform, learners are required to take the written exam on that platform. An AST might encounter situations that require a modification to this requirement, which is usually in the form of a paper-based exam.

在创建课程时，AST 可以在笔试栏位中选择「纸本测验」，并提供申请的理由。该课程将会提交审核，AST 将会收到进一步指示。

When creating a course, an AST can request permission to deliver a paper-based exam, by selecting "Paper-Based" in the Written Exam Field "and providing the reason for the request. The course will then be submitted for approval and the AST will receive further instructions.

重要：申请获准后，AST 将收到纸本笔试成绩回报的具体指引。

Important: When approved, the AST will receive specific instructions for reporting written exam results.

纸本测验仅提供英文版，AST 需于测验前进行翻译。纸本测验仅能用于已获核准的特殊需求，不得超出核准范围使用，包括不得将英文考题与其他 AST 分享。请参阅第 9.3.1 节「翻译政策」。

Paper-based exams are provided in English and may require translation by the AST prior to use. Paper based exams can only be utilized for the accommodation that was approved and not beyond that; including sharing the English exam questions with other ASTs. Please see Section 9.3.1 Translation Policy

若 AST 拟采用其他替代方案，以协助学员在公平公正并维持测验完整性的前提下参加测验，请将替代方案计画寄送至 education@sca.coffee。

If ASTs have questions regarding other accommodations to help learners access exams in a fair and equitable way that maintains the integrity of the exams, they should write to education@sca.coffee with a description of the planned accommodation.

12.0 课程评分 Course Ratings

完成测验后，系统将要求每位学员提交课程评分。问卷内容涵盖四个类别，学员需以五星制进行评分：讲师知识、课堂体验、课程价值及客户服务。每位学员在各类别的评分将计入课程的平均评分。AST 能够查看每位学员对课程的评分。目前，仅有 AST 本人及 SCA 员工可检视评分结果。

Each learner will be prompted to submit a course rating after completing the exam(s). The questionnaire asks learners to submit a five-star rating in four categories: Instructor Knowledge, Classroom Experience, Value and Customer Service. The per-student ratings for each category contribute to an average course rating. ASTs will be able to view ratings

from each learner in each course. Currently, ratings are only viewable by ASTs and SCA Staff.

若学员希望更正已提交的评分，需自行来信至 education@sca.coffee 提出申请。AST 不得代替学员提出此请求。

If a learner would like to request a correction to a review they have submitted, the learner can write to education@sca.coffee with that request. The AST cannot make this request on behalf of the learner.

13.0 课程场地、设备和用品 Course Venue, Equipment and Supplies

AST 有责任确保课程的培训场所有利于学习。只要符合所有标准，SCA 证书课程可在任何地点授课。各课程指南中所列的设备和用品清单，均依据 SCA-510 《咖啡培训场地规范》[SCA-510 Coffee Training Venues - Specifications](#)。

It is the AST's responsibility to ensure that the training venue for a course is conducive to learning. SCA certificate program courses can be taught at any location if all standards are met. Course equipment and supply lists, contained in the course guidebooks are based on the [SCA-510 Coffee Training Venues - Specifications](#).

13.1 教室的基本要求 Basic Expectations for Classrooms

所有授课教室必须符合以下基本条件：

The following are basic expectations for any room where courses are being delivered:

- 空间必须足以容纳参与上课的学员人数。
The space must be adequate for the number of students present.
- 此教室必须是一个专门用于授课的空间，不得同时用于生产或零售业务。
The room must be a dedicated space for course delivery and not being simultaneously used for production or retail operations.
- 教室内必须有充足的照明供课程活动使用。
The room must have adequate lighting for the activities of the course.
- 教室必须符合当地的所有公共卫生和安全准则。
The room must comply with all public health and safety guidelines for the location.
- 教室内必须不受视觉、听觉、嗅觉、触觉和味觉的干扰。
The room must be free of distractions to sight, sound, smell, touch and taste.

13.2 设备和用品 Equipment and Supplies

每堂课程对设备和用品都有最低要求。每件设备、工具或用品所需的数量通常取决于该堂课学员的人数。例如：在咖啡师技能课程中，每四名学员必须配备一台双孔意式咖啡机，并配有两根蒸汽棒。

Each course has a minimum requirement for equipment and supplies. The quantities listed for each piece of equipment, tool or supply is usually dependent on the number of learners in the course. For example, in Barista Skills courses, there must be one two-group espresso machine with two working steam wands for every four students.

AST 必须确保所有工具和设备的安全性且可正常运作。

The AST should ensure that all tools and equipment are in proper working order.

CSP 课程设备和用品清单的下载方式: **My AST Portal > My Downloads > AST Handbook & Operating Documents**。CTechP 课程的设备 and 用品清单则包含在每个课程指南中。CTechP 与 CVA for Cuppers 课程的设备与用品清单则包含在各自的课程指南内, 而 Q Grader 课程的设备与用品清单可在 Q Grader 课程资料包 (Q Grader Course Pack) 中找到。

Equipment and supply lists for CSP courses can be found in the SCA Profile in AST Portal>My Downloads/ /AST Handbook & Operating Documents. Equipment and supply lists for CTechP and CVA for Cuppers courses are included in each course guidebook. The equipment and supply list for the Q Grader Course can be found in the downloadable Q Grader Course pack.

13.3 高级培训中心 Premier Training Campuses

SCA 高级培训中心是经过 SCA 认证的场所, 在空间、设备和用品方面皆符合高标准的场地。SCA Premier Training Campuses are venues that are certified by the Specialty Coffee Association as having met a high standard of requirements in terms of space, equipment, and supplies.

如欲了解目前 SCA 高级培训中心的清单, 请参阅此网站:

<https://education.sca.coffee/campuses-how-it-works/>

13.4 使用第三方场地时的考虑 Considerations When Using a Third-Party Location

SCA 没有提供 AST 与第三方场地合作时使用的模板或标准合同。由于 AST 必须对场地的质量负最终责任, 因此建议 AST 在谈判场地合同时咨询个人的法律顾问。

SCA does not provide a template or standard agreement to be used by ASTs when working with third-party venues. ASTs are encouraged to engage their own legal advisers when negotiating a venue agreement.

13.5 记录保存要求 Maintaining Records

自 2026 年 1 月 1 日起 (Q Grader 课程自 2025 年 10 月 1 日起), AST 必须保存课程相关纪录 (电子或纸本), 包含实操测验资料等, 并自课程结束日起至少保存一年。

Starting January 1, 2026, ASTs are required to retain copies (can be digital or paper) of course records (for Q Grader courses this requirement begins October 1, 2025), including practical exam materials, for a minimum of at least one (1) year following the final day of the course.

Q Grader 课程, AST 必须在课程结束后五 (5) 个工作日内, 依 Q Grader 课程指南规定, 将指定资料上传至 AST Portal。若未于期限内提交, SCA 可暂停其开设 Q Grader 课程之资格。上传方式如下: **My AST Portal > My Open Courses > 选择欲上传资料的课程 > 点击分页 File Upload > 上传档案**。

For the Q Grader Course specifically, ASTs must upload to their course offering those materials stated in the Q Grader Course Guidebook within five (5) business days of the course's conclusion. Failure to submit these materials in a timely manner may result in the suspension of the AST's eligibility to host additional Q Grader Courses.

13.6 课程取消或关闭课程报名 Requirement to Cancel or Close Course Enrollment

课程结束后五（5）个工作日内，AST 必须在系统中更新课程状态，采取以下其中一项操作：

Within five (5) business days following the end date of the course, the AST must update the course status in the system by taking one of the following actions:

1. 标记课程为「报名截止」，并确保相关发票已开立；或
Mark the course as "Course Enrollment Closed" and ensure all applicable invoices are generated, or
2. 标记课程为「已取消」，并将所有学员状态设为「已拒绝」。
Mark the course as "Cancelled" with all learners set to "Declined" status.

若 AST 未于期限内完成更新，SCA 将依下列方式处理：

If the AST does not complete this update within the required timeframe, SCA staff will proceed as follows:

- 若所有学员皆标示为「已拒绝」或仍为「已请求」，课程将自动标记为「已取消」，且所有「已请求」之学员状态将更新为「已拒绝」；
If all learners are marked as "Declined" or remain in "Requested" status, the course will be automatically cancelled and any remaining "Requested" learners will be updated to "Declined."
- 若有学员状态为「已接受」，SCA 将生成课程报名费及 AST 服务费发票，并将课程状态更新为「报名截止」。
If any learners are in "Accepted" status, SCA will generate invoices for both the course enrollment fee and the AST service fee. The course status will then be updated to "Course Enrollment Closed."

13.7 成绩申诉 Appealing a Score

若学员欲对测验成绩提出申诉，应先联繫 AST 以寻求解决方案。若未能达成共识，学员可于第二次笔试或实操考试后 14 天内，写信至 SCA 教育主管 Dorit Lessard (doritl@sca.coffee) 提出书面申诉，须包含：课程名称、日期、AST 姓名及申诉事由简述。SCA 将于约 21 个工作日内作出决定。

If a learner wishes to appeal their exam results, the learner should first contact the AST to explore a resolution. If no resolution can be reached, then the learner should write to Education Officer, Dorit Lessard at doritl@sca.coffee within 14 calendar days from the second written exam attempt or practical exam attempt, including the course name, date, AST name and a brief summary of the issue. A decision on the appeal will be made in approximately 21 business days.

14.0 SCA 课程管理行政流程 SCA Course Administration Workflow

正确执行课程管理作业可为 AST 节省时间，并确保学员能及时取得证书。

Performing administrative procedures correctly saves time for the AST and ensures that the learner receives their certificate in a timely manner.

14.1 创建课程 Creating Courses

所有课程都必须在开课之前透过 My AST Portal 建立；课程开始日期不得设定为过去日期。

All courses must be created through the AST Portal before the start of the course.

Courses may not be created with start dates in the past.

在创建和进行课程之前，AST 需要能够回答下列三个关键问题：

There are **three key questions** an AST needs to be able to answer before creating and conducting a course:

- 课程注册费用将由学员或 AST 支付？
Will the Course Enrollment Fee be paid by the learner or the AST?
- 该课程是否为公开课程？
Is this course to be published on the public course offerings list?
- 课程是否需要采取纸本测验？
Is there a need for a paper-based exam request for the course?

创建课程流程分为三步骤：

The creation of the course is completed in three steps:

14.1.1 课程基本信息 Basic Course Listing Information

在此步骤中，讲师需输入课程相关的基本详细讯息，并选择会影响课程管理和发票开立的设定。

以下是各个栏位说明：

In this step, the trainer enters the basic details regarding the course and chooses special settings that impact the administration and invoicing of a course. Here is a listing of the fields:

- **课程名称** – 选择要创建的课程。
Course – Choose the course that will be offered.
- **学费信息** – 必填栏位。AST 可以输入实际学费金额或特殊说明，例如：「详情请洽 AST」、「向 AST 询问团体折扣」等类似说明。
Course Tuition Information – This is a required field. The AST can enter an actual tuition amount or special instructions for the learner, such as "See AST for Details" "Ask AST for Group Discounts" or similar instructions.
- **学员人数** – 当学员状态为「已接受」和「发票已付款」的学员人数达到此处设定的数量时，学员将无法再申请注册此公开课程。在课程开始前，AST 可以更改此数字，或直接邀请学员加入课程。
Number of Learners – When the number of learners with the status of "Accepted" and "Invoice Paid" reaches this amount set here, learners will no longer be able to Request Enrollment for publicly listed courses. The AST can change this number prior to the course and invite learners directly.
- **课程注册费支付者** – 预设为「学员」。AST 也可以在接受学员加入课程时改为由 AST 支付，这意味着 AST 可以在一门课程中混合安排不同的课程注册费支付者。
Course Enrollment Fee Paid By – This field is set to "Learner" by default. This

setting can also be overwritten by the AST as they accept each learner onto the course. This means that an AST can have a mix of arrangements within one course.

- **公开或私人** – 标记为「公开」的课程将出现在学员账户中的「我的教育」>「寻找课程」的课程清单中，以及 SCA 管理的其他课程清单中。

Public vs Private – Courses marked "Public" will appear on the Course Listing in the My Education>Find A Course section of the SCA Profile, as well as other listings hosted by SCA.

- **语言** – 此设定仅代表授课使用的语言，不影响在线笔试的语言选择。学员参加在线测验时，可以从考试平台提供的语言列表中选择测验语言。

Language – This setting only represents the advertised language of the course and does not impact the choice of language for the online written exam. The learner always gets to choose from the available languages for the online exam.

- **管理员** – 此设定仅适用于其账号连接到 SCA 课程管理员的 AST。

Administrator – This setting only applies to ASTs whose accounts are connected to an SCA Course Administrator.

- **教学方式** – 唯一可以完全在线授课的课程是 CSP 基础课程、CVA 杯测师课程和所有和 CSusP 课程，其他所有课程必须选择「面对面 In-Person」或「综合授课 Combination」。

Teaching Method – The only SCA courses that can be taught entirely online are CSP Foundation courses, CVA for Cupper course and all CSusP courses. All other courses must select "In-Person" or "Combination."

- **笔试测验方式** – 此栏位预设为「在线测验」。若 AST 需要申请纸本考试，则选择「纸本测验」并说明原因，该申请将会提交审核，AST 将会收到进一步指示。

Written Exam Format – This field is set to "Online" by default. If the AST is requesting permission to deliver a paper-based exam, the AST may select "Paper-Based" and select a reason for the request. The course will then be submitted for approval and the AST will receive further instructions.

- **课程位置** – 此栏位的大部分内容会根据 AST 在 SCA 帐户 My Profile 中设定的信息自动填入。

Course Location Information – Much of this section will automatically populate based on the information set by the AST in the My Profile section of the SCA Profile.

14.1.2 课程大纲 Course Outline - WYSIWYG or HTML

WYSIWYG 是「What You See Is What You Get」的缩写，意思是「所见即所得」。AST 可以使用丰富的文件编辑器加上照片和图像，使课程大纲更为生动。

WYSIWYG stands for "What You See Is What You Get." ASTs can use the rich text editor to make the course listing more dynamic, including photos and images.

HTML 设定可以让 AST 把预先设计好的 HTML 内容张贴到此栏位中，更详尽地介绍课程给学员。

The HTML setting allows ASTs with pre-designed HTML content to paste it into this field to inform learners more about the course.

SCA 所提供的教材：例如课程指南、测验内容或其他知识产权（例如 SCA 风味轮），不得张贴在课程大纲。

SCA materials such as the course guidebook, exam content or other intellectual

properties (such as the SCA Flavor Wheel) are NOT to be posted in the Course Outline.

14.1.3 设定课程的日期和时间 Setting Dates and Times for Course Sessions

课程必须遵循相关课程指南中规定的最低授课时数，系统将拒绝单日超过 12 小时的课程时数。
Courses must follow the minimum number of course hours as stated in the relevant course guidebook. The system will decline any daily sessions that are longer than 12 hours.

AST 应输入课程日期、开始时间和时数，系统会自动生成结束时间。

ASTs will enter the date, start time and then length of each session in the course. The system will automatically generate the end time.

AST 可以点击课程管理板中的「Session」分页，然后按下「Edit」来编辑每个课程分堂时段的详细信息。

ASTs can edit the details of *each session* by selecting the Sessions tab in the Course Dashboard and then clicking "Edit" by each session.

14.2 管理课程注册 Managing Course Enrollments

「课程注册」是指学员被接受加入系统中的特定课程。学员可透过课程清单提交注册请求，或由 AST 直接将学员加入课程。

A Course Enrollment refers to a learner being accepted into a specific course in the system. Learners can submit an enrollment request through the Course Offering list or be added to the course by the AST.

本手册所述之所有课程行政作业，须于课程最后一日后 5 个工作日内完成。

ALL ADMINISTRATIVE COURSE TASKS DESCRIBED IN THIS HANDBOOK MUST BE COMPLETED WITHIN 5 BUSINESS DAY FROM THE LAST DATE OF THE COURSE.

若逾期未完成，请参阅第 13.6 节「课程取消或关闭课程报名」。

See Section 13.7 Requirement to Cancel or Close Course Enrollment for how courses will be treated after the deadline to complete course administrative tasks.

14.2.1 接受或婉拒课程注册 Accepting or Declining Enrollment Requests

学员可以通过 SCA 账户「我的教育」>「寻找课程」的课程清单，寻找课程并申请加入到该课程。当学员点击课程的「请求注册」后，AST 将通过电子邮件收到通知并在其 SCA 账户查看。
Learners can request to be added to a course through the course offering list in the My Education> Find A Course section of the SCA Profile. When a learner selects "Request Enrollment" for a course, the AST is notified via email and within their SCA Profile.

可以在 SCA 账户内两处查看注册请求：

Enrollment Requests can be viewed in two places within the SCA User Portal:

- 若要查看多堂课程的所有注册请求：My AST Portal > Course Enrollment Requests。

To see all enrollment requests for multiple courses, go to My AST Portal > Course Enrollment Requests

- 若要查看特定课程的所有注册请求：My AST Portal > My Open Courses。
To see all enrollment requests for a specific course, view the Learner Dashboard for a specific course listed in My AST Portal>My Open Courses

当有待处理的课程注册申请时，AST 必须选择接受或拒绝该申请。当接受请求时，AST 必须确认课程注册费是由学员还是 AST 支付。在发票生成之前，AST 仍可更改学员的接受状态，一旦发票开立，AST 就无法更改课程中任何学员的接受状态。

When there is a pending Course Enrollment Request, the AST must either Accept or Decline the request. When accepting the request, the AST will confirm whether the Course Enrollment Fee will be paid by the learner or by the AST. The AST can change the acceptance status of a learner until there is an invoice generated. Once an invoice has been generated, the AST cannot change the acceptance status of any learner on the course.

如果课程注册费设定为「由学员支付」，则当 AST 点击「生成发票」时，学员将立即收到课程注册费的发票。如果课程注册费用设定为「由 AST 支付」，则此费用会与 AST 服务费一并开立。
If the Course Enrollment Fee is set to "Paid By Learner," the learner will receive an invoice for the Course Enrollment Fee as soon as the AST clicks "Generate Invoice." If the Course Enrollment Fee is set to "Paid by AST," the fee will be included in the invoice sent to the AST when the AST clicks "Generate Invoice."

AST 无法从课程的管理板中删除学员。AST 仅能设定学员状态为「已接受」、「已拒绝」或「已请求」。

A learner cannot be deleted from the Learner Dashboard of a course. The only statuses that can be set by the AST are "Accepted," "Declined" or "Requested."

14.2.2 将学员加入课程 Adding Learners to a Course

当 AST 已与学员事先达成安排，可以透过课程管理板点选「新增学员」将学员直接加入课程。
When an AST has made prior arrangements with a learner, they can add the learner directly to the course by selecting "Add Learner" in the Course Dashboard.

AST 可以使用学员的电子邮件地址或 SCA ID 搜寻学员。多年来，学员可能已经建立了多个 SCA 账号，请务必向学员确认正确的个人档案资讯，以避免混淆或错误。

The AST can search for the learner by using the exact email address or SCA ID number of the learner. Learners might have created multiple SCA Profiles over time. Please ensure that you have the correct profile information from the learner to avoid any confusion.

AST 点击「添加学员」后，系统会向学员发送通知电子邮件，该课程也会显示于其 SCA 帐户「我的教育」>「我的进行中课程」。

This will initiate an automated notification email to the learner and the course will then appear in the My Education>My Open Courses section of their SCA user account.

在发票生成之前，AST 仍可更改学员的接受状态。

The AST may change the acceptance status of a learner until an invoice is generated.

14.3 生成 AST 和学员发票 Generating the AST Invoice and Learner Invoice

必须先完成支付课程注册费与 AST 服务费，AST 方可启用线上笔试、标记实作测验结果并核发证书。当 AST 确认已接受之学员名单后，点击「Generate Invoice」生成发票。

Both the Course Enrollment Fees and AST Service Fees for a course must be paid before online written exams can be activated, practical exam results entered and a certificate released. When the list of accepted learners is set, the AST will click "Generate Invoice."

AST 点击「生成发票」后，系统将：
Clicking "Generate Invoice" will:

- 开立一张「由 AST 支付」的发票，包含设定「由 AST 支付」的课程注册费和所有 AST 服务费。（请参阅 7.0 节「课程学费和 SCA 费用」）
Produce one invoice for the AST that combines the Course Enrollment Fees that are set to "Paid by AST" and all the AST Service Fees. (See Section 6.0 Course Tuition and AST Fees).
- 开立一张或多张「由学员支付」的发票（设定由学员支付的课程注册费）
Produce invoices for the learners regarding those Course Enrollment Fees that are set to Paid by Learner.
- 自动关闭课程报名。
Close Enrollment for the course.

发票生成后，AST 无法再添加或删除学员。

No learners can be added or removed from the course by the AST after the invoice has been generated.

付款流程：课程管理版 > 点击「生成发票」> 点击「支付发票」> 系统导向 AST 购物车 > 点击「结账」送出付款。

To Pay the Course Fees: Visit Course Offering page> click Generate Invoice button> Click "Pay Invoice" button > Redirects to AST's cart > Click "Checkout" to submit payment.

若课程结束后 5 个工作天内，AST 购物车中的项目仍未结帐，SCA 工作人员将为该课程开立报名费与 AST 服务费的发票。该发票必须于上面标示的到期日前完成付款。若未于期限内支付，将进入催收程序，且导致 AST 执照被暂停。

If items remain in an AST's cart for more than 5 business days after the course end date, SCA staff will generate invoices for both the course enrollment fee and the AST service fee as appropriate. These invoices are due according to the due date on the invoice. Invoices not paid by the due date are subject to collections and nonpayment of invoices will result in deactivation of license.

14.4 启动在线笔试测验 Activating Online Written Exams

由 AST 来掌控何时邀请学员参加在线笔试，通过在课程管理板中点击「启动笔试测验」。AST 点击「启动笔试」代表在线测验随即启动，并开始为期 21 天的测验时间，每位学员有两次测验机会。

The AST controls when the learner can take the online written exam. This is done by selecting "Activate Written Exams" in the Course Dashboard. Selecting "Activate Written Exams" automatically makes the exam available to the learner and starts the 21-day period for the learner to take both attempts at the exam.

以下是 **AST** 在课程管理板中点击「启动笔试测验」之后的流程：

Here is an overview of the process that begins when the **AST** selects "Activate Written Exams" in the Course Dashboard:

- 1: 学员收到系统发送的测验通知电子邮件
Learner receives an automated exam notification e-mail
- 2: 学员在其 **SCA** 账户的「我的教育」>「我的开放测验」找到测验连结
Learner locates the exam in the My Education>My Open Exams section of their **SCA** user account
- 3: 学员开始测验
Learner launches the exam
- 4: 学员选择测验语言
Learner selects the exam language
- 5: 学员同意学员行为准则
Learner agrees to the Learner Code of Conduct
- 6: 学员确认测验信息和说明
Learner acknowledges exam information and instructions
- 7: 学员依序作答，并提交作答完成的试卷
Learner answers questions and submits finished exam
- 8: 测验平台会自动阅卷计分
The testing platform automatically grades the exam
- 9: 学员收到第一次测验的结果后便能进行第二次测验。
After Learner receives the results of their first attempt scores, they will then be able to launch a second attempt
- 10: 学员和 **AST** 会收到一封系统自动发送的电子邮件，包含测验结果和辅导报告
Learner and **AST** receive an automated email with results and coaching report
- 11: 测验平台自动更新课程管理板的测验结果（最多需要 15 分钟）
Testing platform automatically updates the Course Dashboard with the exam results (scores can take up to 15 minutes to appear)

14.5 回报测验问题 Reporting Exam Issues

学员请求与测验相关的技术问题支持的最佳方法是：使用「我的开放测验 **My Open Exams**」页面顶部的「回报测验问题 **Report an Exam Issue**」，点击后开始填写表格。此表单的提交内容会由多个时区的工作人员进行监控和优先处理，提交此表单使测验相关的重要请求不会与一般信件混杂，可获得优先处理。

The best way for a learner to receive support for a technical issue related to an exam is to use the "Report an Exam Issue" button at the top of the **My Open Exams** page and complete the form. The submissions to this form are monitored and prioritized throughout several time zones. Using this form keeps these important requests from being in the same queue as general inquiries.

14.6 标记实操考试结果 Entering Exam Results

在线测验平台会在笔试栏位自动标记测验结果为「通过」或「未通过」。AST 则需要负责标记学员的实操考试结果。

The online testing platform will automatically mark "Pass" or "Fail" in the Written Exam column. The **AST** is to mark the Practical Exam results for the learner.

重要：AST 必须为每堂课程的每位学员标记实操考试结果，即使该课程没有实操考试，仍须标记为「通过」。

IMPORTANT: Practical exam results must be marked for every learner in every course. This is true even if there is no practical exam for a course. If there is no practical exam for the course, mark as "Pass."

14.7 删除或取消课程 Deleting or Cancelling Courses

AST 可以取消状态为已发布的课程，请造访 AST 界面 > 开启课程，然后从列表上选择课程，接着点击取消课程键。如欲取消或删除状态不再是已发布的课程，请联系 SCA education@sca.coffee 要求删除或取消相关课程。

An AST can cancel a course if it is in posted status. Visit the AST Portal > Open Courses and then select the course from the list and click the cancel course button. For courses no longer in posted status, to cancel or delete a course, contact SCA at education@sca.coffee with a request to delete or cancel the course in question.

14.8 核发证书 Certificate Generation

当实操考试成绩和笔试成绩均标示为「通过」时，系统将自动为学员核发证书。该证书可在 SCA 账户的「我的教育」>「我的证书」取得并下载。

When the Practical Exam Result and Written Exam Result are both marked "Pass" a certificate will automatically be generated for the learner. The certificate will be available for download in the My Education>My Certificates section of their SCA user account.
